ABOUT THE BOOK:

After a crushing breakup, Gabby's best friend drags her to Club Tryst, the hottest new dance spot in town. The next morning, Gabby wakes hungover, her purse missing, and her memory of the night a blur. Determined to retrace her steps, she returns to the pulsing club, where the music, cocktails, and midnight promises draw her into a seductive cycle. Each night brings another stranger, another drink, another shameful morning.

As her reckless indulgence spirals, Gabby begins uncovering eerie ties between her own life and the club's shadowy past. Every clue points toward the enigmatic bartender, whose perfectly mixed drinks always seem to lead her deeper into dangerous temptation.

To reclaim control, Gabby must face her desires, unravel the mystery of that missing night, and decide whether to escape—or surrender completely to Club Tryst's intoxicating grip.

Welcome to Club Tryst. It's ladies' night, and we have some killer drink specials during happy hour...
