## Author Media Kit

### About the Author

Allen Dusk is an author of dark speculative fiction, creating unsettling stories that thrive where paranormal horror and science fiction collide. His debut creature-feature novel *Shady Palms* premiered at #1 in Audible Horror and sold more than 3,000 paperback copies, establishing him as a breakout indie voice. Known for twisting the familiar into something disturbingly strange, Allen's writing explores the shadows between dread and desire while pulling readers into narratives that refuse to stay predictable.
